LEGAL ADVISORY SERVICES

Our Firm offers comprehensive legal services to assist foreign nationals intending to settle in our country for an extended temporary stay or permanently, as well as those seeking to acquire real estate. Our multi-disciplinary legal team, specialized in various practice areas, provides support for a range of needs, including the legalization of official documents, immigration procedures, due diligence for secure real estate acquisitions, preparation of legal instruments for real estate transactions, escrow services, drafting of contracts with construction companies, supervision of contract compliance, obtaining construction permits and commercial licenses, incorporation of Mexican entities, employer registration with the National Immigration Institute, legal representation in Mexico, establishment of trusts, processing of Federal Maritime Terrestrial Zone concessions, and more. Our offices in Mexico City, Guadalajara, La Paz (B.C.S.), and La Ventana (B.C.S.) expand our reach and allow for personalized attention.

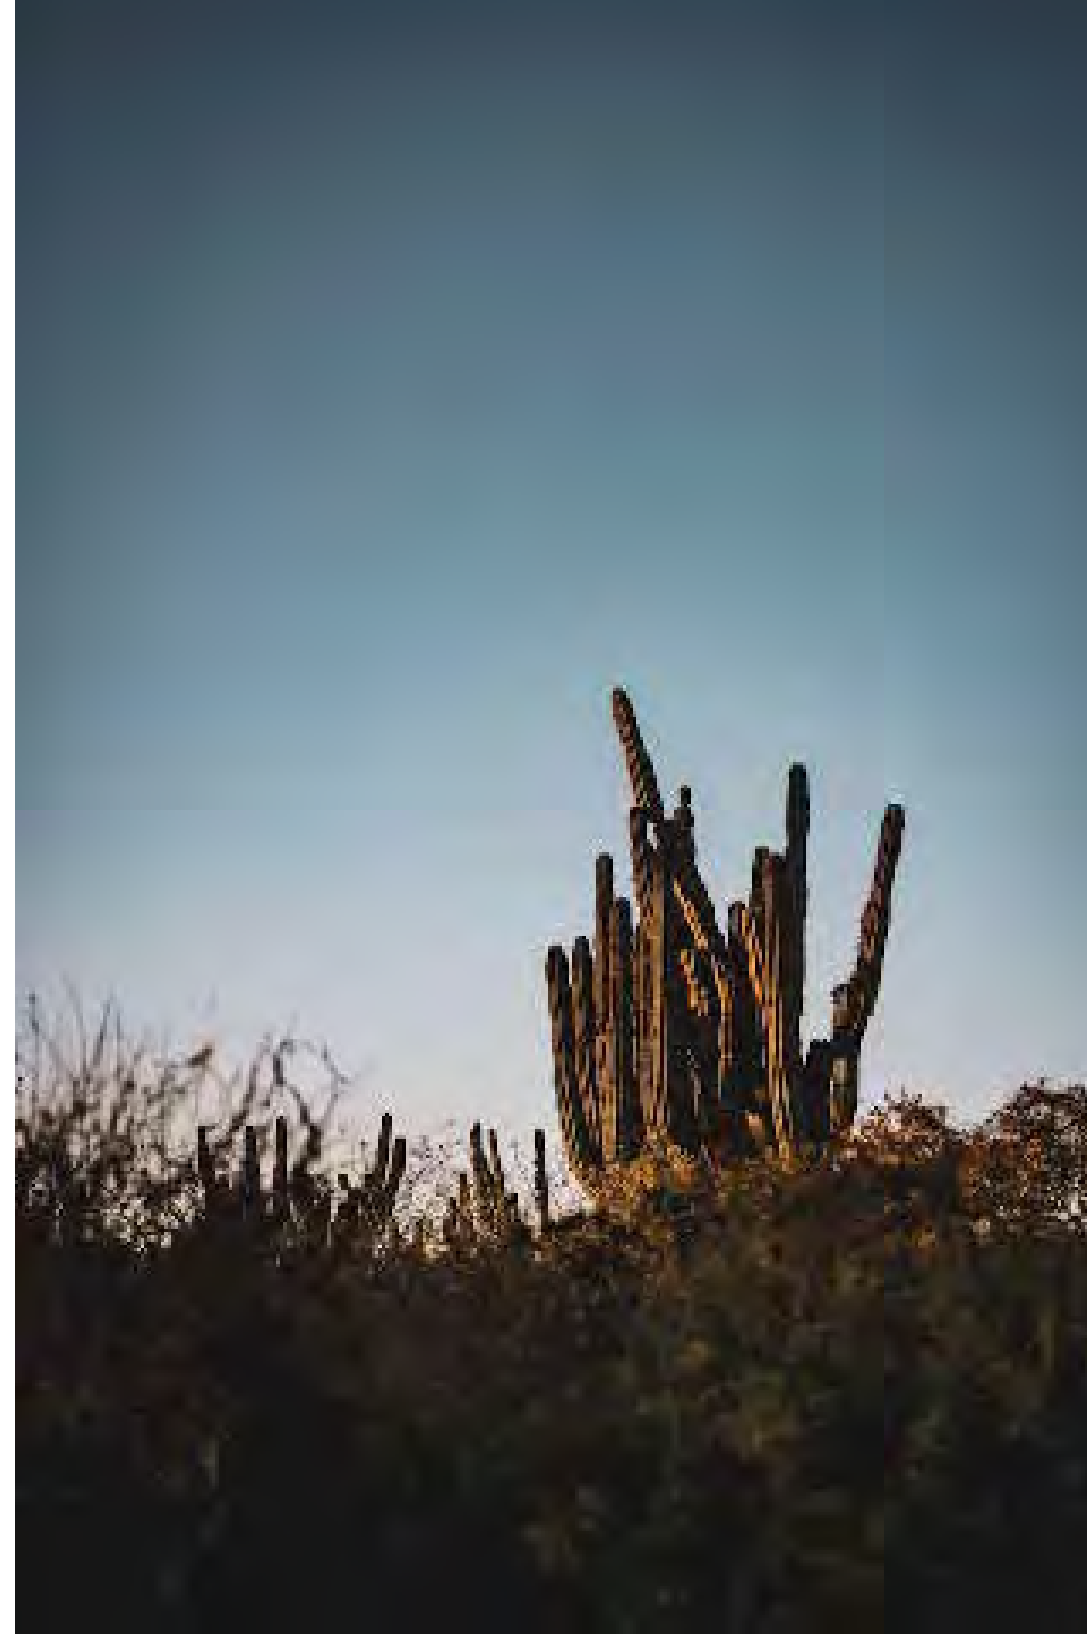

LEGAL ADVICE ON REAL ESTATE MATTERS

We provide comprehensive legal advice and support in real estate transactions, supported by a professional team of attorneys specializing in various areas of law, including Contract Law, Corporate and Business Law, Agrarian Law, National Waters Law, Trusts, Concessions, Public Administration and Government, Immigration Law, Public Administration Law, Commercial Law, Real Estate Law, and Investment Project Development.

Thanks to our teams expertise we offer strategic solutions that provide legal certainty, protect our clients' assets, and mitigate risks and contingencies. Additionally, we offer escrow services operating with bank accounts both in Mexico and the United States, ensuring the protection of our clients' investments until the real estate acquisition is formalized in compliance with the legal requirements and the agreed conditions with the seller.

Our services always begin with a background assessment to gather the necessary elements to offer the best alternatives and strategies for our clients' benefit. Our services cover advice from the preparatory stages for the acquisition, formalization of acquisitions, and post-acquisition advisory, including the drafting and monitoring of contracts with builders, developers, and handling permit and license procedures with federal, state, and municipal authorities. Our Firm adheres to standardized institutional systems and processes, guaranteeing the effectiveness and transparency of our services.

1. PRE-ACQUISITION STAGE

In this phase, we offer services including:

- **Gathering and compiling** all background documentation, including obtaining the property's public registry records.
- **Review of land use and environmental restrictions**, as well as any other limitations that may apply to the property due to its characteristics and/or location.
- **Legal audit (due diligence)** of the background, liens, restrictions, and issuance of a legal opinion regarding the property's legal status.

2. NEGOTIATION AND TRANSACTION CLOSURE

During the negotiation and closing phase, we provide advisory and representation services to protect our clients' interests, creating the relevant instruments, such as:

- [Co-investment](#) agreements.
- Letters of intent or [purchase and sale offers](#).
- [Strategic alliances](#), purchase agreement promises, transfer of rights promises, private purchase agreements.
- [Assistance in securing](#) loans or financing.
- [Advisory on the regularization of agrarian properties](#) for their transfer to private property through the adoption of full domain and their subsequent submission to the private property regime.

3. ESCROW SERVICE

Our escrow service operates through bank accounts in both Mexico and the United States, safeguarding our clients' investments until the property acquisition is formalized in accordance with legal requirements and fulfillment of any established conditions. In this regard, our Firm safeguards deposits made as guarantee by the buyer until the conditions established between the parties are met, allowing the seller to access these funds. We have established clear mechanisms and protocols to ensure that both the buyer and seller have certainty regarding the protection and disbursement of these funds until the transaction is formalized.

4. FORMALIZATION OF THE ACQUISITION

In this stage, we generally offer the following services:

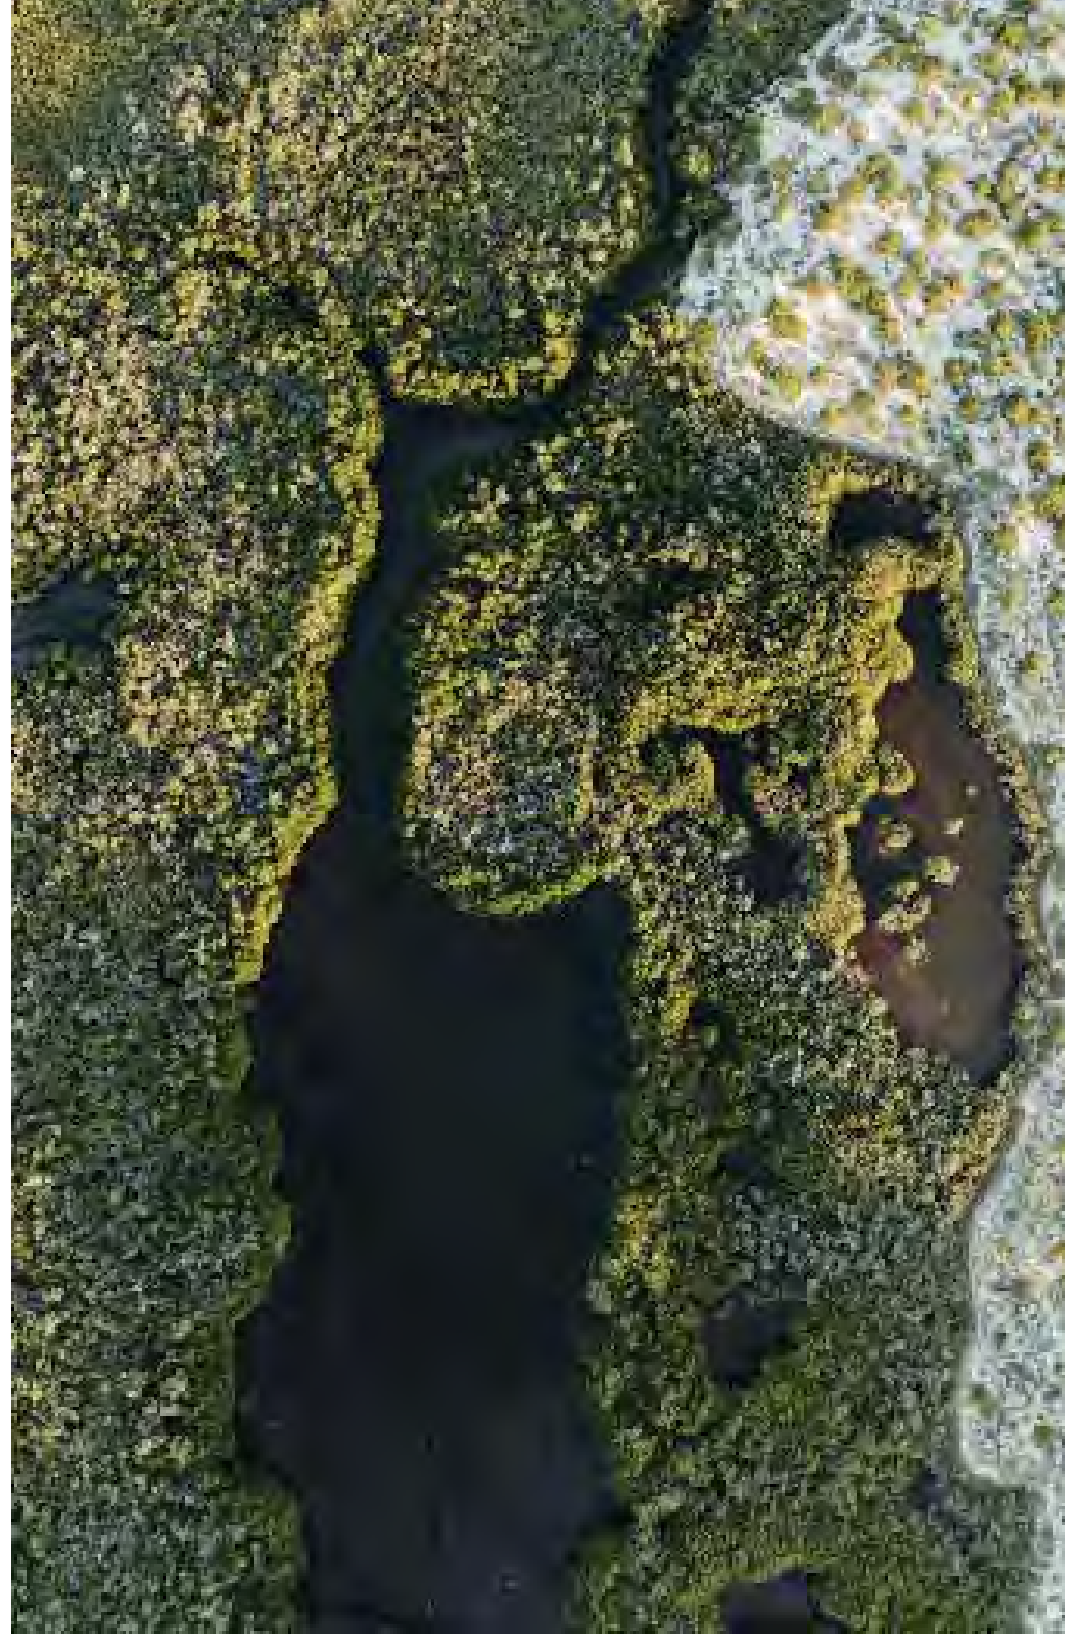

- Preparation of the legal file for the **formalization of the transaction** before a Notary Public.
- **Coordination and supervision** with the Notary Public for implementing the parties' agreements, as well as monitoring the registration procedure at both the municipal and state levels.
- **Review of public deed drafts** and in-person assistance and interpretation services during the signing before a Notary Public.

5. PROPERTY MANAGEMENT

Once the acquisition is formalized, we offer comprehensive legal services related to property management and administration, such as:

- Establishment of trusts for property management and coordination with the trustee to achieve the trust's objectives.
- Permanent property management, compliance with fiscal and administrative obligations, representation in condominium assemblies, and other proceedings.
- Compilation, updating, and control of files.
- Processing of licenses, permits, and authorizations with federal, state, and municipal authorities, concessions for the Federal Maritime Terrestrial Zone, and land gained from the sea.
- Drafting contracts with builders and developers and supervising contract compliance.

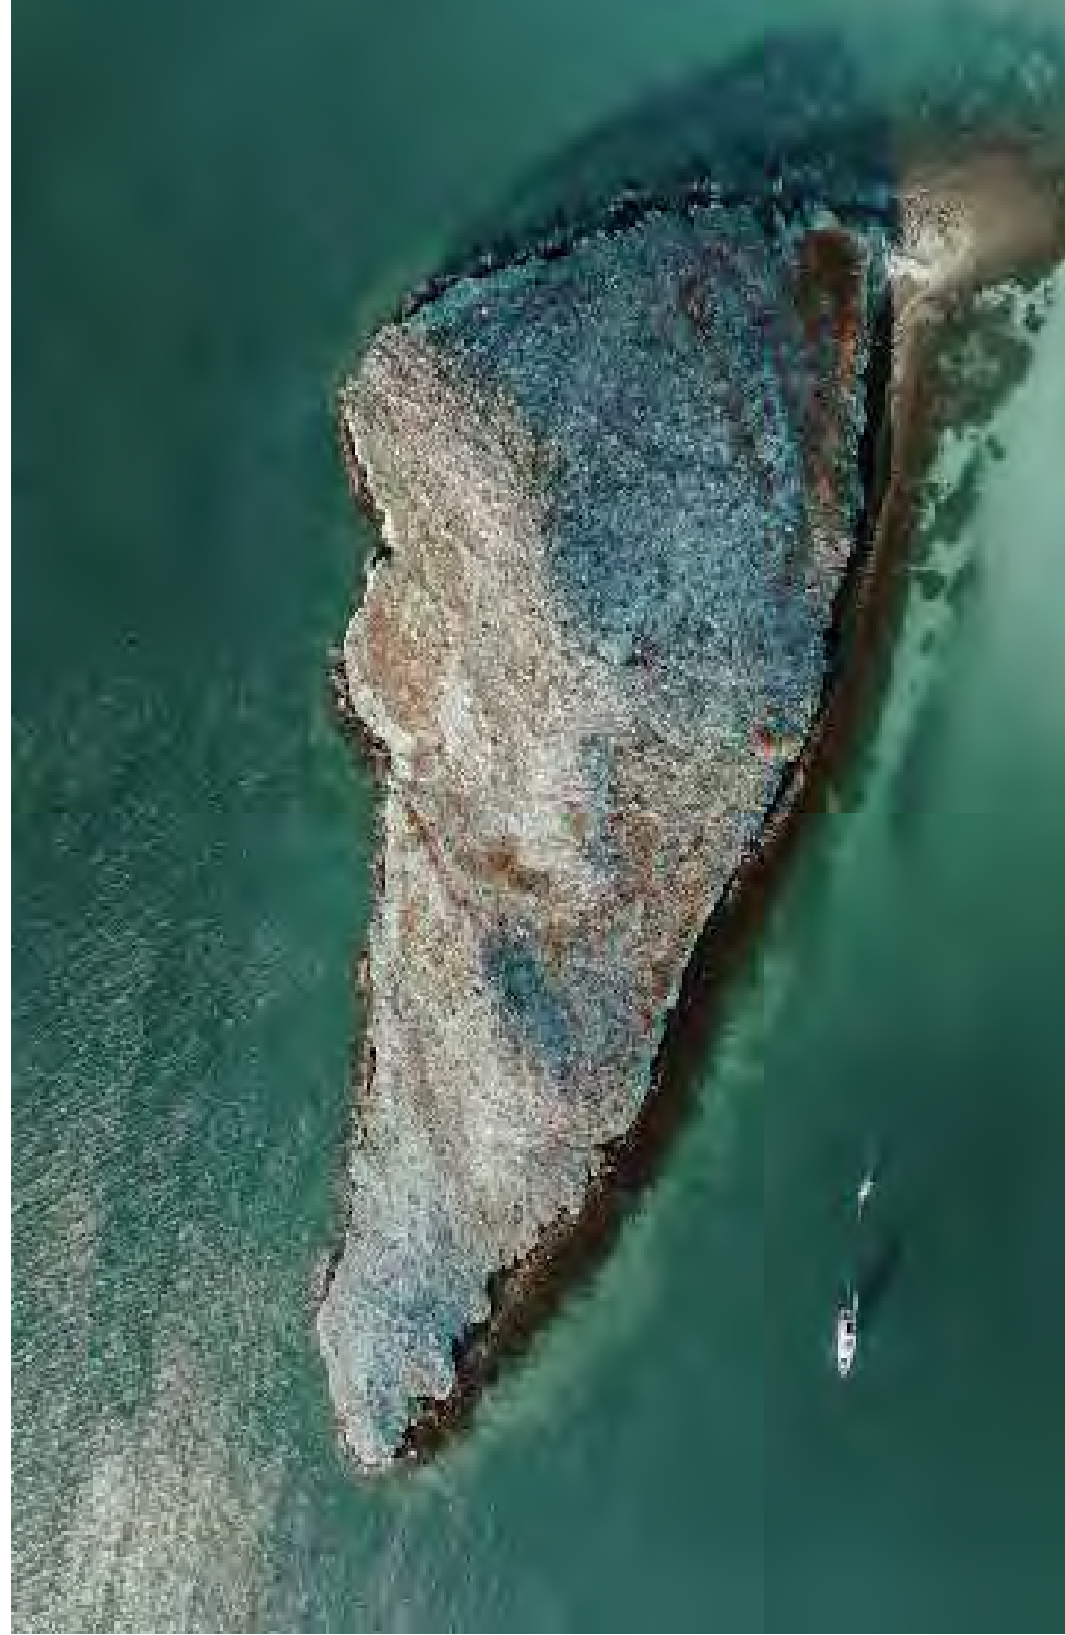

6. INVESTMENT PROYECT

We also have extensive experience in structuring and implementing real estate investment projects with a strategic business focus, offering comprehensive solutions and effective legal structures to address our clients' commercial challenges, both domestic and international, from business inception to operation, including:

- Implementation of [legal models for business operation](#) through the incorporation of companies, trusts, joint ventures, partnerships, mergers, spin-offs, liquidations, and transformations.
- [Business management, including legal representation](#) for tax registration with the SAT, drafting and managing contracts with service providers and suppliers, payment management, opening bank accounts, and lease agreements, among others.
- [Preparation of Shareholders' or Technical Committee meetings](#) (for trusts) to facilitate decision-making during business implementation, including issuing calls, drafting minutes, and executing agreements, including issuing instruction letters in the case of trusts.

- **Generating periodic** progress reports on business execution.
- **Processing concessions** for the Federal Maritime Terrestrial Zone and land gained from the sea.
- **Supervising managers** hired for licensing, permit, and authorization procedures before federal, state, and municipal authorities.
- **Coordination** with technical, financial advisors, and business promoters.
- **Drafting condominium regimes** and processing authorizations with authorities.
- **Preparing and coordinating** condominium assemblies and monitoring compliance.
- **Representation** in Condominium assemblies.
- **Advisory on structuring** the marketing plan for private units and sales of private units.
- **Assisting in conflict resolution** between partners or associates through mediation, conciliation, or arbitration schemes as per statute or contract.
